Sri V. P. DEENADAYALU NAIDU.— In fact, some of the figures have been left out so that Government could have focussed their attention on that particular aspect. That is not available. I do not know whether I should raise half an hour discussion on the question.

Mr. SPEAKER.—He can.

Sri C. J. MUCKANNAPPA.—In answer to (*b*) as to whether the derpatment is working satisfactorily, you have stated 'Yes'. Is it not a fact that when urine of a male was examined, after three days the report was 'pregnant with albumen' ?

Sri K. K. HEGDE.—Probably the Honourable Member has taken it wrongly. For 'present with albumen' he has taken it 'pregnant with albumen'.

Mr. SPEAKER.—Question time is over.
